ABOUT ME

Kevin Avicenna Widiarto, 20 years old, is a student at the University of Muhammadiyah Surakarta (UMS) majoring in Information Technology. In college no only focus on my studies for academic purposes but also actively participate in non-academic organizations. Now I am a graphic design in the PUBLIC RELATIONS DIVISION at FOSTI UMS. The organization taught me to have soft skills such as teamwork, communication, and dedication. I also have a strong will to learn, adapt and develop myself to be the best version of myself.
